

RECRUITING THE RIGHT HEALTHCARE TALENT IS ESSENTIAL

AlediumHR

Healthcare Support Recruiting

Our network of healthcare support professionals provides access to thoroughly vetted top-tier talent nationwide. These candidates bring exceptional support related backgrounds and experiences in hospital, healthcare, and industry related roles.

Our goal is to reduce your hiring risk, shorten time to hire, and relieve the resources that occur with recruiting. Your focus can then be directed on only interviewing the most qualified candidates.

Recruiting Healthcare Support Professionals - Patient Services Reps, Nurse Triage, Pharmacy Advisors, Case Managers, Claims Managers, Collections Managers, Insurance Verification, Billing Support, and Administrative Roles
