

AlediumHR

Healthcare Recruiting Reimagined

AlediumHR is a boutique recruiting firm that specializes in direct-hire healthcare placements. **Our focus is on clinical and non-clinical roles across the United States and Canada**, with extensive experience in the growing telehealth sector.

At AlediumHR, we leverage innovative healthcare recruitment strategies and cutting-edge technologies to identify, attract, and match healthcare professionals who align with your specific job requirements and organizational goals.

Talent Acquisition Strategies

RecruitmentUnits™

- Fixed Pricing Regardless of Salary - Volume Discounts
- 12 Month Placement Guarantee on Most Positions
- Minimum Savings of 37% vs Other Recruiting Firms
- Talentlytical® Proprietary AI Healthcare Recruiting Platform
- 24/7 interviewing improves quality and speed-to-hire.

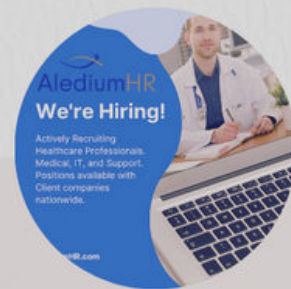

INTELLIGENT RECRUITING

Talentlytical® is our proprietary AI talent acquisition platform that sources candidates based on the job requirements and company specific needs. We call this "Intelligent Recruiting."

TELEHEALTH

AlediumHR has been at the forefront of telehealth recruitment since 2013, long before the Covid era. We continue to lead the innovation in healthcare recruiting.

24/7 RECRUITING

AI recruiting technology that can conduct interviews 24/7 with the ability to mimic human conversations. Answers questions and responses from the candidate in real time.

Our Advantage

- AI Technology that reduces your time and costs
- 500,000+ Healthcare Candidate Database
- Specialize in Direct Placement (PT & FT)
- Recruiting Support throughout the U.S. & Canada
- Experienced Healthcare Industry Recruiters

AI Recruiting Technology

Talentlytical® is our proprietary talent acquisition platform that leverages intuitive AI to attract highly qualified healthcare professionals who closely match your specific job requirements.

We call this "Intelligent Recruiting."

Talentlytical's® "always learning" algorithms tap into thousands of diverse talent sources to connect with healthcare professionals who are genuinely interested in your job opportunities.

With Talentlytical®, we go beyond the limitations of traditional job boards and outdated recruiting methods.
