

21st Century Recruiting

Telehealth AI Talent Acquisition Platform™

THE TECHNOLOGY

Talentlytical® is our proprietary healthcare recruiting platform that utilizes intuitive AI intelligence focused on successfully recruiting to your specific job requirements.

THE DIFFERENCE

Talentlytical® machine learning algorithms access millions of candidates from untapped talent pools that provide insights into passive job seekers.

THE GUARANTEE

Our proven Talentlytical® platform, along with our nationwide recruiting resources, will significantly improve your talent acquisition costs, and reduce time-to-hire.

ABOUT US

AlediumHR is the premier provider of customized talent acquisition strategies centered on Telehealth, Health Tech, and Healthcare Support positions. We are the most experienced telehealth recruiting firm in the industry.
